CHRISTMAS MARKET

★ **DECEMBER 4-7, 2025**

**Polish Highlanders Lot
4808 S Archer Ave, Chicago, IL 60632**

Greetings!

The Archer Avenue Christmas Market, presented by SSA #39 and the Back of the Yards Neighborhood Council (BYNC), is back for its second year! From December 4–7, 2025 the Polish Highlander Lot (4808 S. Archer Ave) will be transformed into a Christmas Market with lights, music, food, artisan vendors, and fun for the whole family.

This unique event blends Polish and Mexican holiday traditions, reflecting the rich culture of the Brighton Park and Archer Heights neighborhoods. Visitors can enjoy traditional dishes like tamales, sip warm seasonal drinks, shop from local artists, take photos with Santa and the Grinch, and relax in a winter beer garden.

This sponsorship packet provides opportunities for businesses and partners to gain brand visibility, direct engagement with a young, family-oriented, predominantly Hispanic/Latino audience, and recognition as trusted community partners. Proceeds from the event directly support SSA #39 programs, including storefront façade improvements, marketing, beautification projects, and small business support.

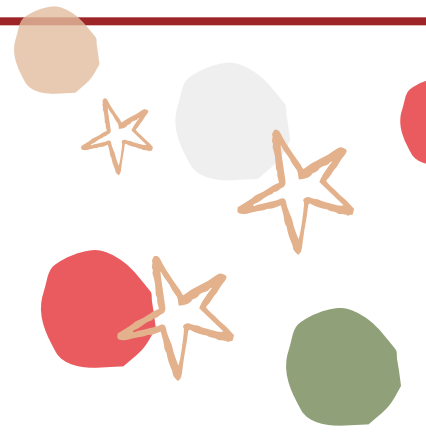

Thank you for considering this opportunity to celebrate the season while making a lasting impact in our community. Together, we can create a holiday tradition that boosts the local economy, celebrates community, and spreads joy throughout Archer Avenue.

Warm regards,

Miguel Moreno

About Us

Special Service Area (SSA) #39 is managed by the Back of the Yards Neighborhood Council (BYNC). Established in 2007, SSA #39 works with more than 420 businesses located in the Brighton Park and Archer Heights neighborhoods.

Funded through a modest property tax levy, SSA #39 is able to provide “special services” that extend far beyond what the City of Chicago offers. These services include, but are not limited to: graffiti removal, advertising rebates and seasonal shopping promotions, storefront renovation rebates, vacant commercial property marketing, shopper shuttle bus service, and strategic planning for the Archer Avenue retail district.

Since its inception, SSA #39 has:

- Repaired over 1,000 storefront windows and doors.
- Distributed more than \$205,000 in façade improvement rebates since 2013, with an additional \$75,000 anticipated in the current year.
- Invested in corridor beautification and planning efforts to enhance physical conditions at the building and street level, improve parking, create a more pedestrian-friendly environment, and bring innovative and feasible ideas to the retail district.
